### *The First Stop for Many Newcomers*

*Clubhouse regulars may have spotted a new room recently – the Welcome Room was added to the Clubhouse in April to give newcomers extra attention as they make their way in the Imagination Network.*

*In the Welcome Room, newcomers can find HOSTS who are ready to play games or just chat for a while. It's a great place to send newcomers you meet in Imagination.*

Bulletin Boards in the Welcome Room include:

**Tips2HaveFun**, with suggestions on having fun online in the Imagination Network.

**INN Shorthand <ROFL>**, with a specially prepared list of "shortcuts" used in online conversation in the Imagination Network.

**INN Class Schedule**, with information about classes at the online INN University.

**Questions on Membership**, with answers to the most commonly-asked questions about being a member of the Imagination Network.

**Info from Imagination**, with important messages from the Imagination Network regarding contests, special events and other issues.

**INN Bulletin Board List**, with an updated, complete list of all the special-interest Bulletin Boards in Imagination.

**INN Member Get-Togethers**, with information about the special gatherings that members organize for themselves.

*Plus*, other Bulletin Boards on topics that tell new members everything they need to know to play games, have fun and make friends in the Imagination Network.

## LOOK OUT FOR INNLUCKY!

INNLucky is looking for winners in the Imagination Network! As soon as Version 2.4 becomes available, INNLucky will be leaving notes in some Imagination Network member mailboxes asking for the answers to trivia questions about the Network. The mailboxes will be chosen at random, but only among the Imagination Network members who have installed Version 2.4 onto their computers. So be sure to install the new software as soon as it arrives in the mail. The prize for correct answers starts at \$5 and goes up by \$5 each time until the correct answer is given. The trick is that you have to give the correct answer to the trivia question within 24

### Where's INNLucky?

If you're looking for hints to help you win INNLucky's trivia contest, just ask INNLucky. INNLucky will be roaming the lands of the Imagination Network in the coming weeks. If you've got questions about winning, just ask INNLucky.

hours of INNLucky's note landing in your mailbox. Some of the questions are easy, some are hard. The INNLucky trivia questions are designed to test your knowledge of Version 2.4, the new software for

the Imagination Network. You won't know until you check your mailbox whether or not it's your turn to win. Remember, if your mailbox is chosen, you'll have only 24 hours to respond with the correct answer. For more details, check the Clubhouse for the INNLucky bulletin board, where you'll find information on winners and hints to help you WIN!

## COULD YOU USE 5 FREE HOURS ONLINE? SIGN UP A FRIEND!

The ImagiNation Network will give you five extra free hours of online games and fun for every friend you refer. You'll get your reward once your friend becomes a member and stays online for 60 days. The new member will also enjoy five free initial hours to try ImagiNation before any charges apply.

All you need to do is send a note to E-mail Box 943, explain that you want to "Sign Up a Friend," and provide us with your friend's name, address, day and evening phone numbers and the type of games you think your friend would enjoy playing. Also, tell us which games you like in ImagiNation.

But hurry, this offer is good only until July 31, 1995!

## COMING SOON TO THE IMAGINATION NETWORK™

# The Ruins of Carador™

## What Do You Know: Look for Answers in the ImagiNation Network Scavenger Hunt

So, you're a newcomer online and you think you already know what's up in the ImagiNation Network? If you're a new member who can tell us the answers to ten questions about the ImagiNation Network, you could win free hours or prizes in the Newcomer's Scavenger Hunt.

Each of the questions requires that you explore online – you'll get to know every nook and cranny of the ImagiNation Network neighborhood in the process.

New members: Check your mailboxes for a chance to WIN!

## ASK ? Fred

### HEY FRED:

**Because I am such a major player, I won a lot of free hours online in the "April is High Scores" contest. What happens if I don't use the hours all up right away? Do they just stay in my account forever until I use them up?**

**- TopDog**

Dear TopDog:

The folks that run the contests at the ImagiNation Network tell me that when you win free hours online, you have three months to use up the credits in the evenings or on the weekends. But surely that's enough time for a big player like yourself to use up some free hours, right?

### HEY FRED:

**I'm writing for my friend who hasn't been getting Imaginings at all! She wants to know what's up? If everyone else gets Imaginings, why wouldn't she?**

**-Wondering**

Dear Wondering:

If your friend is not receiving *Imaginings* at all, please ask her to make certain that the ImagiNation Network has her correct address. To send in a change of address, go to the Mall, select ImagiNation Mall and go to Member Services. Click on the UPDATE ADDRESS, PHONE, ETC. button and enter the correct information.

Get a question for Fred, your "In the Know" guy in the ImagiNation Network? Write to Fred in care of Imaginings at E-mail Box 915 or 577 Airport Blvd., Suite 300, Burlingame, CA 94010.

## POSTINGS!

There's something for everyone on the ImagNation Network Bulletin Boards. But if you don't see exactly what you're looking for, send your ideas for new Bulletin Boards to E-mail Box 937 or post them in the Private Notes to the Host bulletin boards found in all rooms of the Clubhouse.

# IMAGININGS!

IMAGININGS!

8 MAY 1995

## IMAGINATION!™ The Last Word

Have you been hearing from us a little more often, lately? In the past couple of months, we've sent about a half dozen surveys to our members. We've sent surveys, for example, to find out what kind of games you'd like to see added to the Imagination Network, to find out what you think of *Imaginings* and the three online newsletters *INNews*, *INNSider*, and *TryTyme*, and to learn more about your lives and the interests of others in your lives.

It's all about getting to know you - what you like about the Imagination Network, what games you like to play, and, most importantly, what you want from us as the Imagination Network continues to grow.

Mostly, what we've been hearing has confirmed what we already suspected we knew about Imagination Network members - that you come to us for the games, and you stay with us for the friendships you've formed during hours of online play.

In fact, the top three things our members want from us, in order of importance, is this: new games, new games and new games.

Rest assured, we've heard you loud and clear!

Because this is the number one priority for our members, we've stepped up our efforts to get more games online and make improvements to the ones you've already come to love. In a little over a month, you'll be able to lead up Front Page Sports: Football Online and play head to head as the coach of your own team. You'll also be able to fly high in Free-For-All-Red Baron in the new Arena on Version 2.4.

To those of you who took the time to respond to our recent deluge of online surveys, thank you. You're the reason why the Imagination Network is growing - game by game.

See you online!

Tom Pomeroy, a.k.a. TomP, is Vice President of Marketing at The Imagination Network, Inc.

### Update

Just thought you might want to know - we're in the final stretch with Version 2.4. Our testers and programmers are working overtime to make Version 2.4 the very best it can be so that when we ship you the new software, everything will be *just right*. Thanks for hanging in there!
